

'Music in the Garden'

4th and 5th September 2020

Safety Information

Safely enjoying your visit

In welcoming you to this live outdoor event the Half Moon place the utmost importance on the safety and wellbeing of our guests, performers, volunteers and employees.

We have introduced a range of new health and safety measures that seek to reduce the risk associated with the presence of COVID-19 that are in line with government advice and the requirements of our local health authorities.

Before you arrive

Please make sure you have made your **booking in advance**. Entry on the gate will be strictly limited

- Before leaving home, please check our website at <http://www.halfmoonsheet.co.uk/festival> or our Facebook page for any latest information
- Please be ready to make on-site payments using a bank card and use cash only as a last resort
- You are welcome to bring your own suitable face covering to enter the festival
- You should not attend if you are displaying any of the symptoms associated with COVID-19.

On arrival at The Half Moon

- We have a strict maximum capacity of 30 tables per session in order to allow for social distancing.
- There are restricted entrances: The **guest entrance** is from London Road. The **artist entrance** is from the rear corner of the car park.
- Entrances will be staffed, and we will strictly enforce the capacity limit for each session.
- Any tables which have not been taken up at 8pm (evenings) or 1pm (Saturday) will be made available to others on the waiting list.

Inside the garden

- We have created roped off exclusion areas, reserved tables, one-way routes and queuing areas to allow for social distancing and the best possible experience for everyone.
- Please take note of all information signage throughout the site with safety messages and instructions.
- Please take note of any advice or safety instructions from Half Moon staff members or volunteer stewards (in yellow hi-viz vests)
- Where possible, please use the ordering app (**'Round'**) for food and drink that will then be brought to your table
- Queues for entry, food, drink and toilets will be organised and may seem longer as we prioritise social distancing.

Hygiene & Disinfection

- We will have thorough and regular cleaning measures throughout each session and between sessions, which seek to disinfect high-frequency touch points, such as tables and chairs, taps, handles, plates and benches
- We have introduced hygiene stations / hand sanitiser dispensers around the garden and building for guests to use.
- We request that everyone on site upholds the highest possible hygiene standards – whether it be when sneezing or coughing, through regular hand washing or the frequent application of hand sanitiser.
- We have introduced new Personal Protective Equipment requirements for a range of activities that our staff routinely perform. These include face masks, disposable gloves, eye protection and hand sanitiser. The use of such equipment and clothing by our employees is both to protect them and our guests.
- Our staff and volunteers have received COVID-19 specific training and instructions on how to stay safe as well as how to keep our guests safe.

Adverse Weather

- We have a limited number of parasols available
- We recommend you bring your own wet weather provisions with you
- We will not be providing additional covered space in the form of marquees as this would cause social distancing issues in the event of adverse weather
